DESCRIPTION

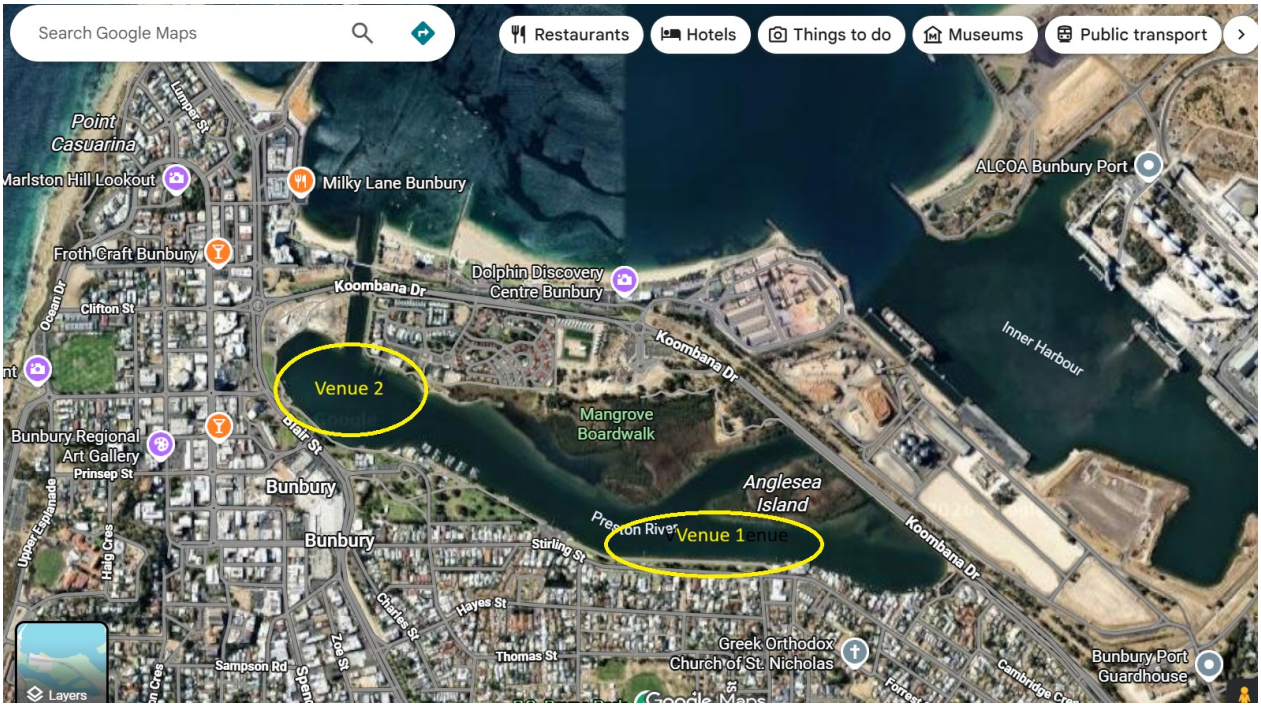

Venue, Measurement & Event Information

With the 2026 WA IOM State Championship approaching, we would like to provide some additional information regarding the sailing venue, measurement arrangements and event organisation.

Sailing Venue

We have two venues available in Bunbury, with the final selection dependent on wind direction and conditions.

Our preferred venue is **Preston River, Bunbury (Venue 1)**as indicated on the attached map. Competitors will be advised should conditions require the use of the alternative venue.

Boat Measurement

Roger Paul has kindly offered his services to undertake boat measurement, with the following arrangements in place:

Friday, 30 October 1600 to 1700 hrs

Measurement will be available at Roger's accommodation:

Unit 372, Australind Holiday Park (formerly Australind Tourist Park)
65 Old Coast Road, Australind WA 6233.

Please refer to the holiday park map for the location of the unit.

DESCRIPTION

Venue, Measurement & Event Information

Saturday, 31 October 0930 to 1030 hrs

Measurement will take place at the sailing venue, once Roger's van has been unloaded and the sailing equipment set up.

Competitors are encouraged to take advantage of Friday's measurement session where possible to minimise delays on Saturday morning.

Event Officials

- **Race Committee:** Peter Buchanan and Roger Paul
- **Principal Race Officer:** Denton Roberts
- **Protest Committee:** To be appointed as required

Equipment and Assistance

Our thanks go to Champion Lakes Radio Sailors for generously making their buoys, dinghy, outboard motor and associated equipment available for the championship.

All of this equipment will be transported and stored in Roger's van throughout the weekend. Assistance from competitors with unloading the van each morning and repacking it at the conclusion of racing each day would be greatly appreciated. Many hands will certainly make the task easier.

We look forward to welcoming everyone to Bunbury for what promises to be an enjoyable weekend of competitive
